ADMINISTRATION

SUPERINTENDENT

Sir Francis Bacon's book, "Maxims of The Law" Contains, in essence, this paragraph.

"Every man owes a debt to his work. He expects, as a matter of course, to get recognition of and remuneration from his work; therefore, he ought, as a matter of duty, to try to make a return to his field of work by cooperating with others in the same kind of work and to set a good example for them."

You the graduation class are now faced with this responsibility.

The choice is yours! You may join the minority ranks of the misfits, the frustrated, and the trouble makers, or join the silent millions who are the true "backbone" of a great nation or community and who, in their mature perspective, strive to undo the vicious wrongs of the plague-some minority, accept the change as inevitable, and move progressively ahead.

Choose Well!

SECRETARY

"TO STRIVE TO SEEK TO FIND AND NOT

LAST WILL AND TESTAMENT

We, the Senior Class of 1967, as intelligent and wonderful as always, do hereby declare this to be our Last Will and Testament.

I, Bob Beck, do hereby bequeath my claim on Gary Pollington to Larry Juhnson. I give my sister, Jody all my good grades. I leave my athletic ability to Trudy McCormick and the rest of me to anyone who wants it.

I, John Werbelow, do hereby bequeath to Mr. Welker a check for \$100, and my regrets for the destruction of his chemistry lab. To Terry Pollington, I leave my position as Student Council President in hopes that he will make good use of it. To Mrs. Kinder, I leave my speed and production in Shorthand and Typing and to my brother Ken, I leave all my old notes and papers hoping he will study them as I did.

I, Kathy Reynolds, do hereby bequeath to Larry Johnson, my remarkable ability to pass goverment courses. To Patty Gomke, I leave the editorship of the Annual. To Debora Vosen, I leave my ability to defend myself verbally. To Tom Vosen, I leave my supreme knowledge of knowing how to drive safely. The junk in my locker is left to anyone who wishes to have it.

I, Dave Johnson, do hereby bequeath my ability to stay out of trouble to Chuck Dees. My position on the basketball team, I leave to Craig Berg in hopes that he will fill the gap which I left. And my grueling study habits to Larry Johnson.

I, Pam Haugen, do hereby bequeath to Gary Pollington, my faithful green Plymouth. To Jody Beck, I leave my old wornout cheerleading outfit, and left over "Ambush". My fantastic ability in athletics I leave to Larry Johnson who I'm sure will definitely need it sometime. And to any neat and orderly person I leave the seven feet of junk contains in my sis locker #81.

I, Marcia Vosen, do bequeath my astounding ability to act a serious role to Rod Johnson. The worries that come with the editorship of the school paper I leave to Trudy McCormick. My tremendous capability to learn a foreign language, I leave to Mary Pollington and Shelly Donovan. To my sister Debora I leave my ability to get on the honor roll the most. Gary Pollington, Tom Vosen, Debbie Dees, and Madeline Mangles may have the trouble of being the Secretary-Treasure of their Senior Classes, as I no longer need it.

We the Senior Class, do bequeath to the Juniors our perseverance in order to endure another year at KHS.

To the Sophmores, we leave our ability to find excitement after any school event.

To the Freshmen, we leave the knowledge we aquire in four long and strenuous years of hard work.

And to the eight grade who will soon be entering high school, we leave them allpjoys and sorrows, disappointments and happiness we found there, four years ago.

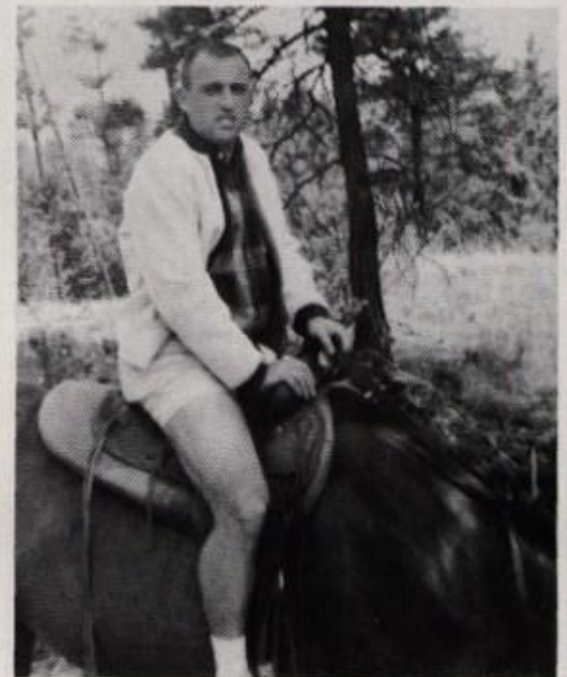

To the teachers we leave peace of mind and tranquility and the satisfaction of having had a part in the education of the greatest class ever to graduate from this hallowed institution, confident that they will never be anything less than "great."

TRACK

The 1966-67 track team consisted of only five boys; Dave Johnson, John Werbelow, Chuck Dees, Gary Pollington and Larry Johnson. During the spring months these boys attended three practice meets--two at Gildford and one at Havre. At these meets the KHS track team, though always the smallest team attending, proved their abilities by capturing high honors.

The high point in the team's season came on May 5th, the day of the District Track Meet in Havre. All five boys earned the right to participate in the Divisional meet and with their totaled points they brought home the third place trophy. Their placings went as follows:

Gary Pollington: 1-javlin throw; 4-high jump; 4-shot-put.
Gary, in capturing his first place in the javlin throw, set a new district record in this event.

Dave Johnson: 1-100 yd, dash; 1- 220 yd. dash; 1-440 yd. dash. Dave tied the old record in the 440.

Chuck Dees: 2-pole vault

John Werbelow: 4- pole vault; 4- javelin throw.

Larry Johnson: 5- discus throw.

Then, at the Divisional meet in Great Falls on May 13, our team kept up its outstanding work. Dave Johnson captured 5th place in the 100 yard dash, 4th place in the 220 yard dash, and 2nd place in the 440 yard dash. Gary Pollington took 2nd place in the javlin throw and tied for 5th place in the high jump. Both Dave and Gary earned the privilege of going to state.

STATE

We are very proud of our whole strack team, especially the two boys who represented us at the state meet. They did a fabulous job of showing what a small school can do against rough competition. Dave Johnson placed fifth in the 440 and 220 at the State Meet. Gary Pollington played seventh in the javlin throw.
